

CLAIM RESPONSE

RE: CASE # 08-35653-KRH FILED 4/01/09
PRF # 16073 CLAIM # 2803

On 1/17/08 I, James Shober, purchased 250 shares of CIRCUIT CITY GROUP, cusip # 172737108 via Wachovia Securities for a total cost to me of \$1,044.25 at the time I was 74 years old. Being of sound mind with good intentions, believing Circuit City Stores to also be a sound company, expecting its share value to greatly increase.

However, due to some very poor management and foresight beyond my control the share value decreased and continued to do so creating a financial hardship for me and many others.

I strongly need to recoup my losses (investment) at an urgent rate; so I am hereby in defiance of the objection on the part of Circuit City and its lawyers to the delay of settlement of my claim and the claims of others.

Sincerely:

James Shober 7/6/09
